Jennifer Sieminski, LMSW
Clinical Implementation Manager

Stephanie Pettitt, MSP
Sr. Training Manager

COLORADO

Department of Health Care
Policy & Financing

Health First
COLORADO™

Colorado's Medicaid Program

Starting July 1, 2025

- **Level I submitters will use AssessmentPro**
 - Level I submitters include Hospitals, CMAs, & NFs, along with others who currently submit Level I screens
 - Using a new form and process for PASRR
- **About 70% of all submitted Level Is will receive an immediate determination**
- **Maximus will render a determination on Level I screens within 6 hours of completed Level I submission.**
 - Includes exemption and categorical
 - Level II determinations will be complete within 7 calendar days
- **NFs will track their census in AssessmentPro**
 - Includes admissions, transfers, and discharges
 - No more submitting a Level I for location changes only

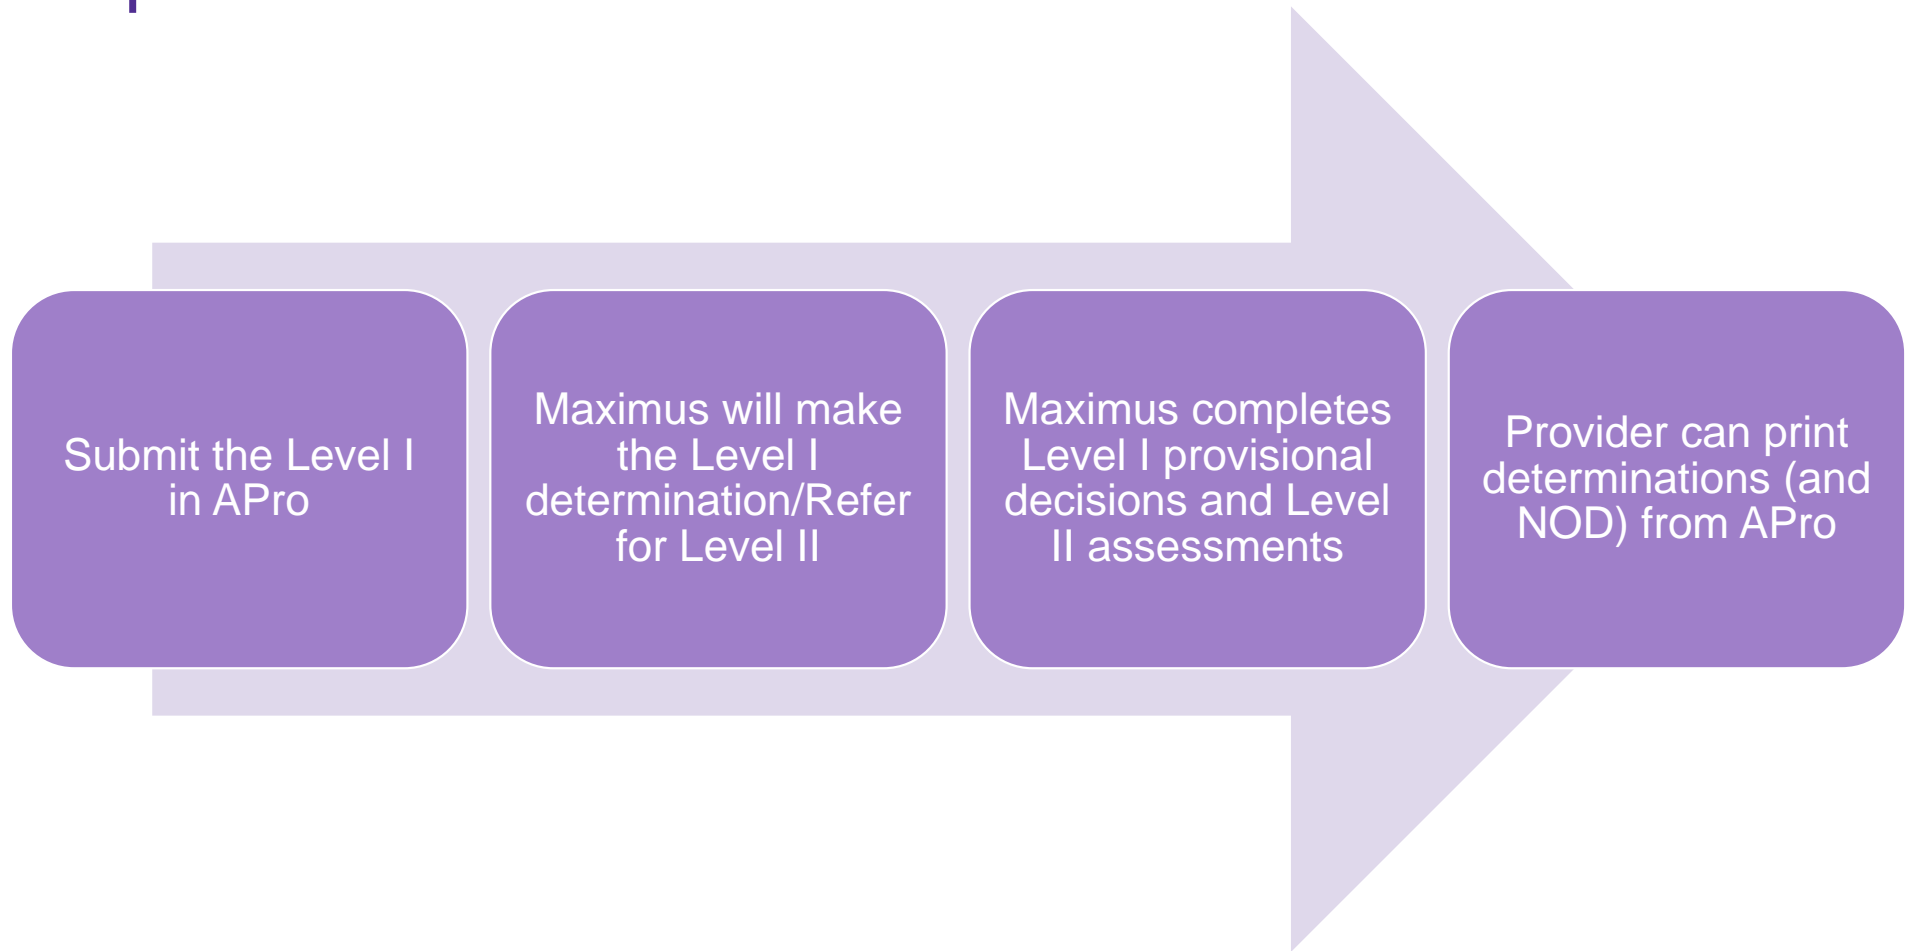

x Insights and Benefits

- Takes 7-10 minutes to complete a Level I screen
- Negative Level I screen results are available immediately to facilitate a hospital discharge and timely NF admission
 - ~70%
 - Remaining ~30% will be evaluated for provisional admissions and need for Level II
 - Only about 7-10% will trigger a Level II assessment
- Streamlines work with automatic saving and queuing—no waiting or lost paperwork
 - You and your colleagues can work together to start, complete, and submit Level I screens and locate all PASRR outcomes
 - Including exemption and categoricals and Level II determinations

Process Change

Simple Process Flow

Providers/CMA

APro

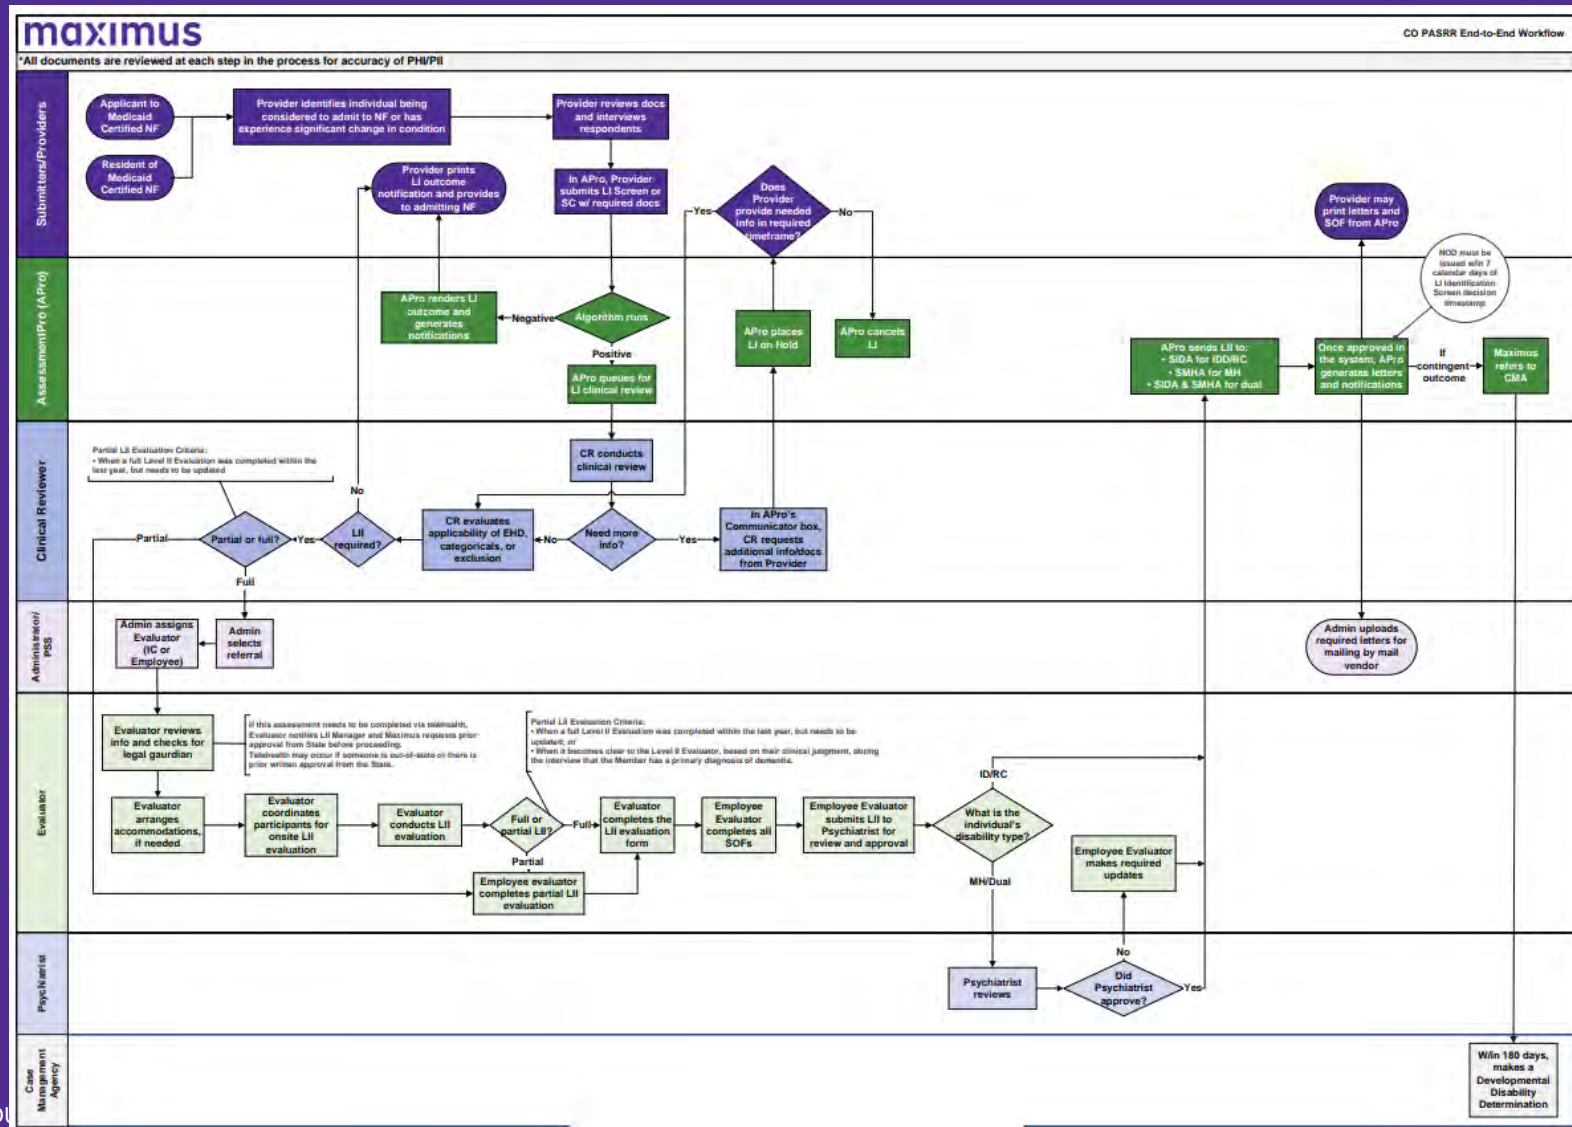

Maximus Clinical

Maximus Admin

Maximus Assessor

Maximus Doctor

State CMA

Submitter identifies individual being considered to admit to NF (PAS) or current resident who has experienced a status change (SC) or an expiring time-limited stay

Submit Level I and Supporting documents in APro

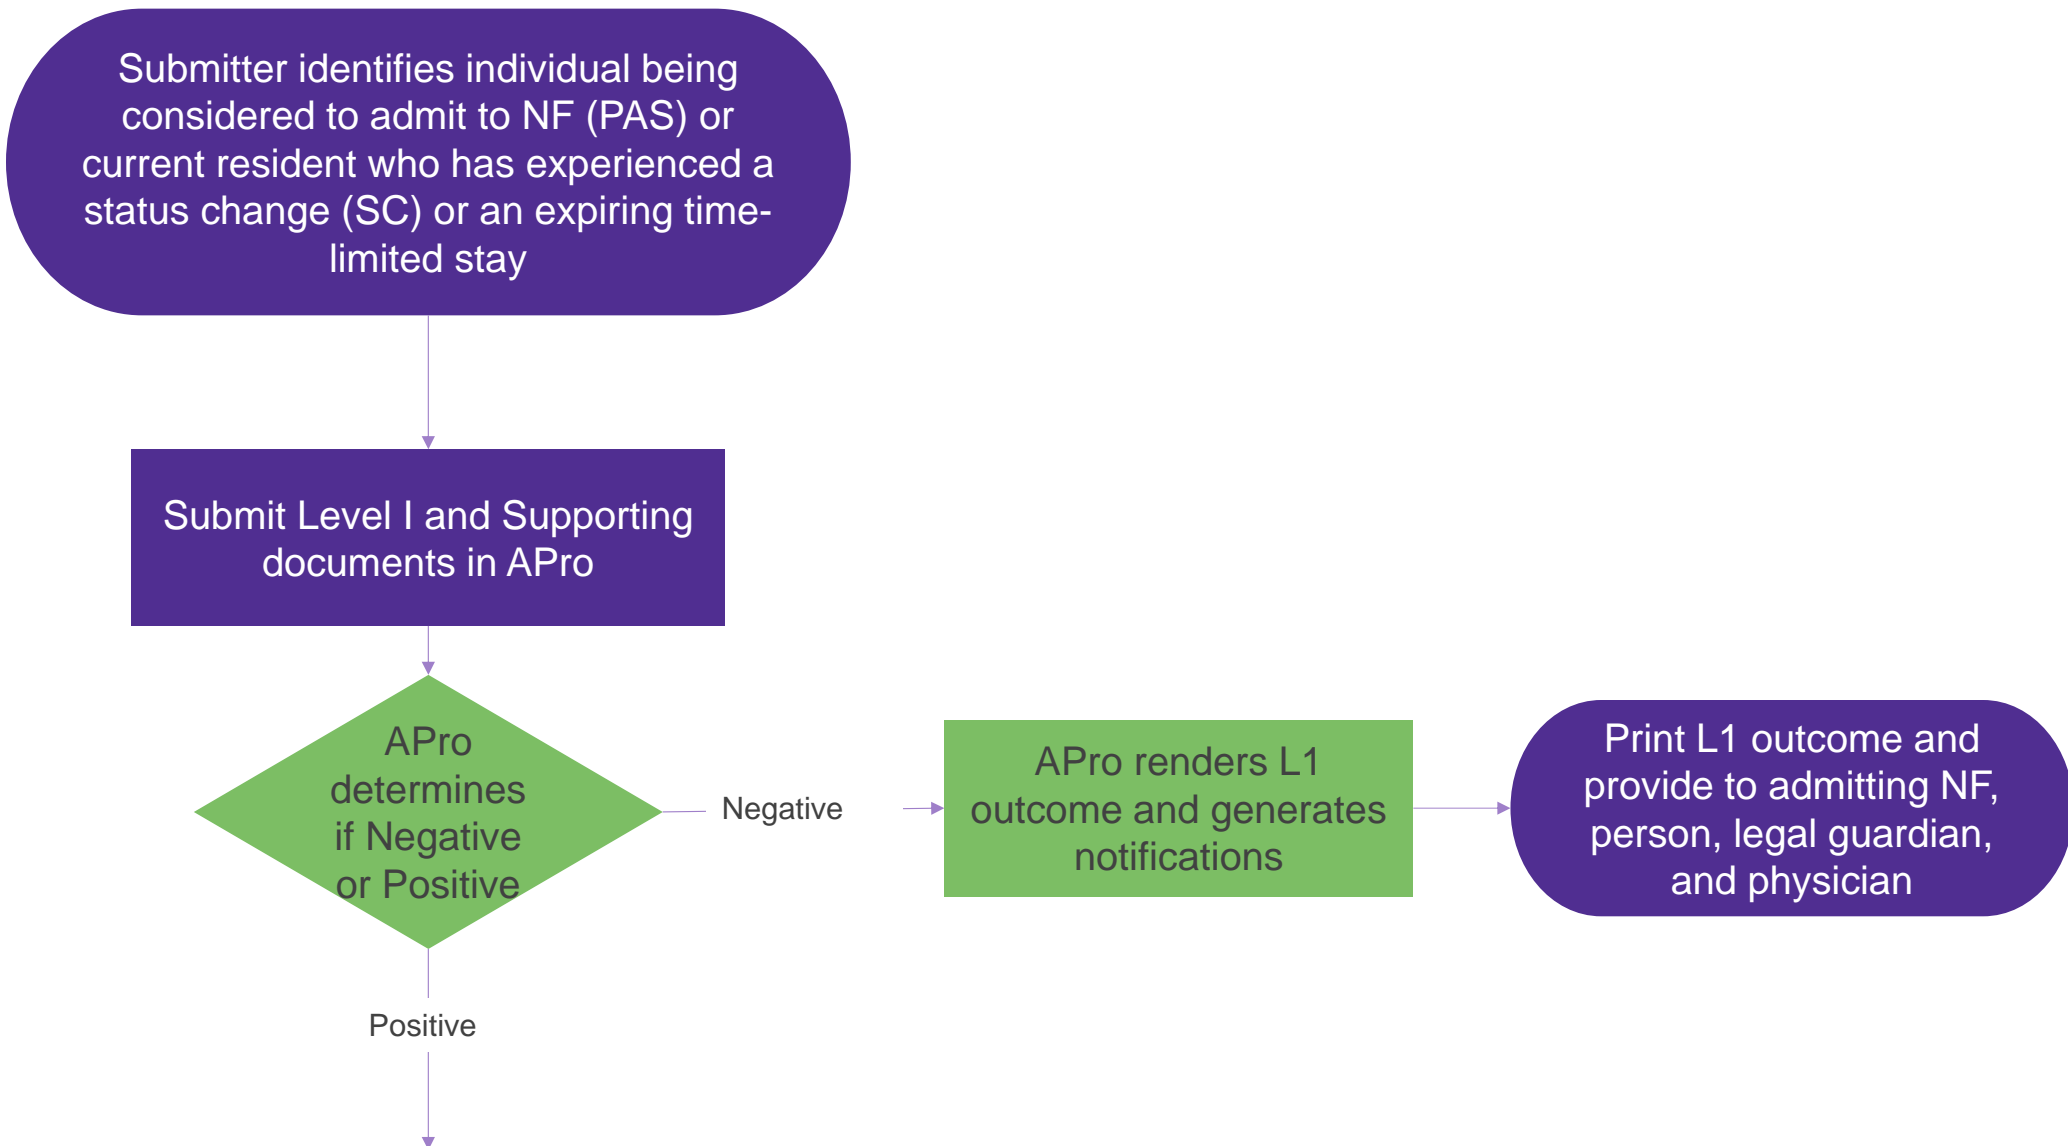

APro determines if Negative or Positive

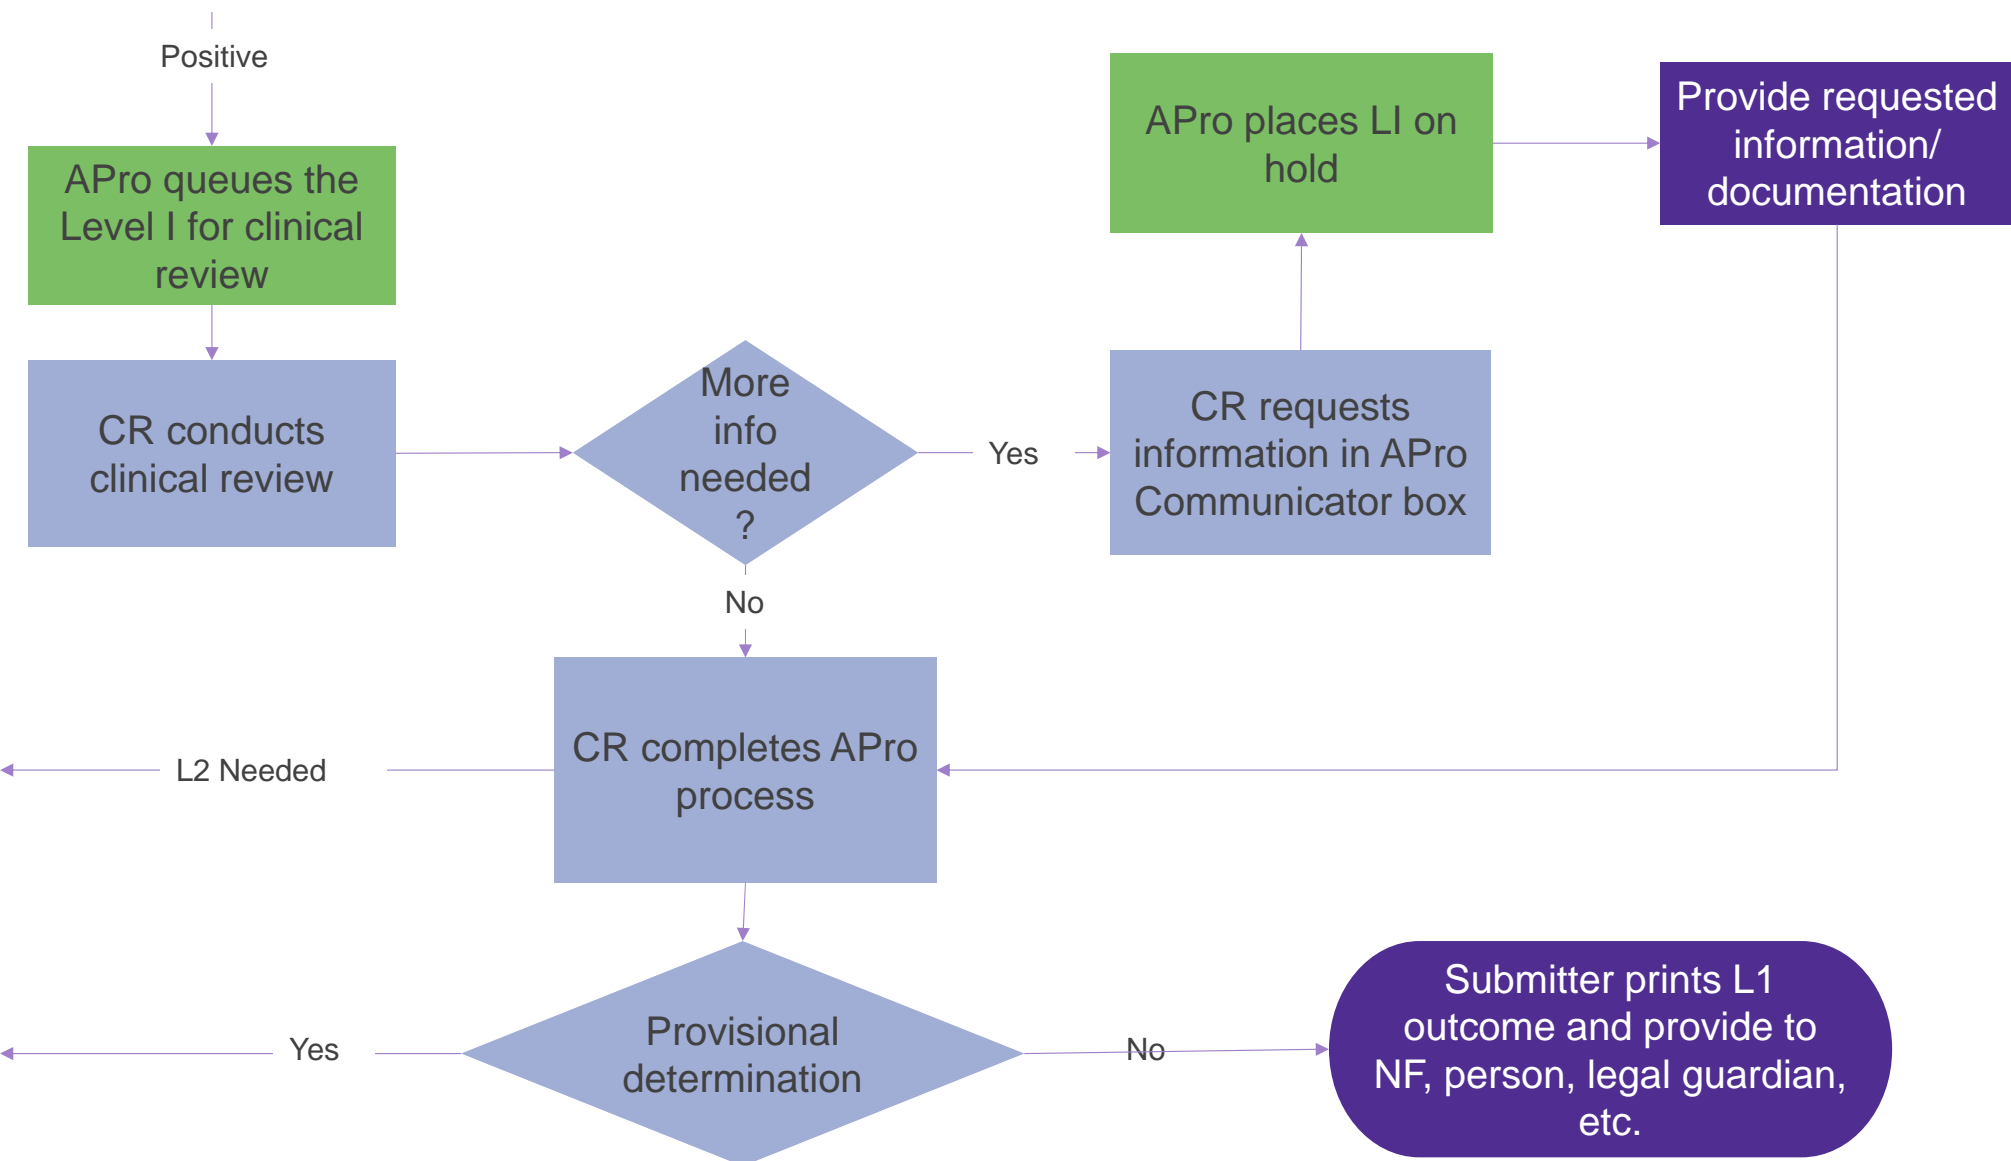

Negative

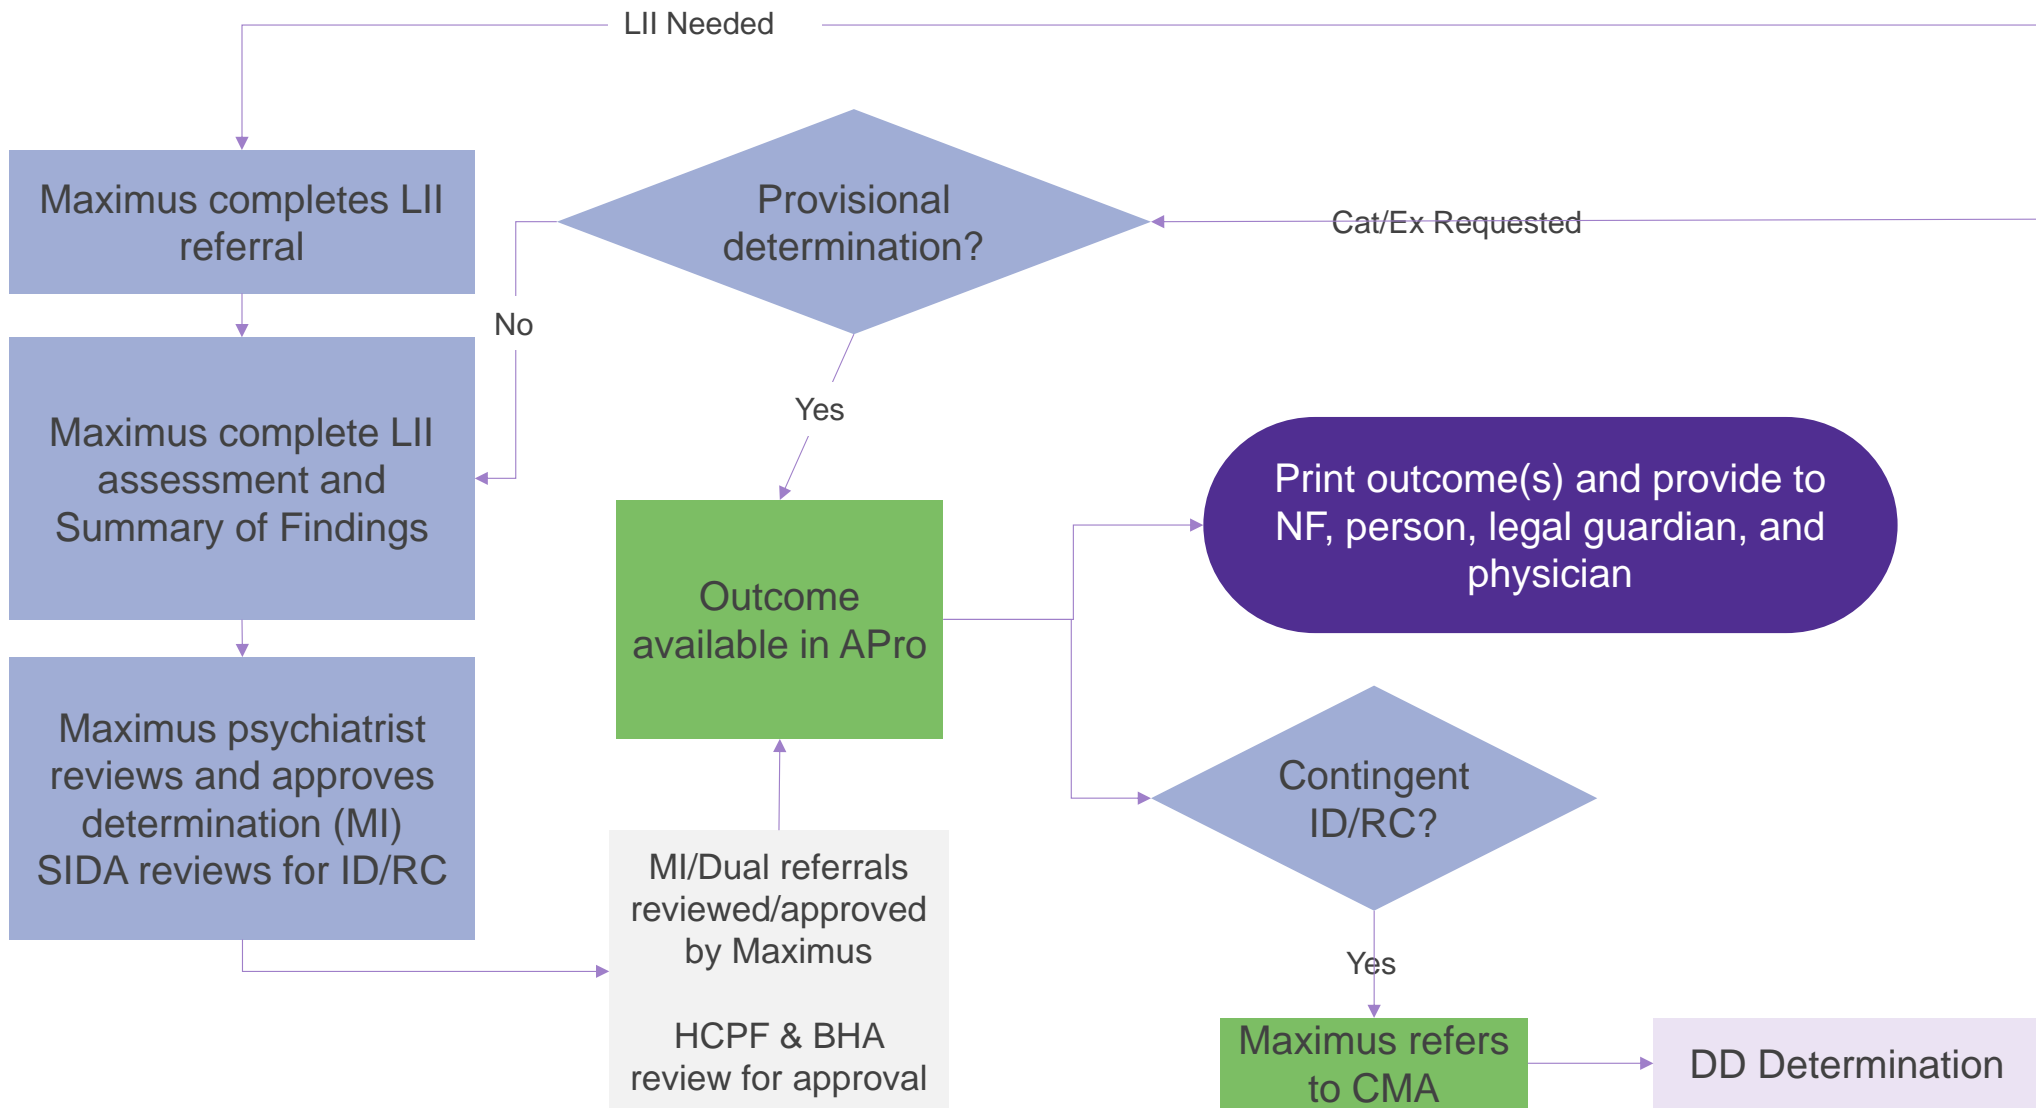

APro renders L1 outcome and generates notifications

Print L1 outcome and provide to admitting NF, person, legal guardian, and physician

Positive

Registering for AssessmentPro

AssessmentPro Roles and Responsibilities

Title	Responsibilities/Functions	Notes
Access Coordinator	<ul style="list-style-type: none">• Approves other users within same facility/agency• Assigns roles to other users• Master system user	<ul style="list-style-type: none">• Will need to submit Agreement• Maximus grants approval
Clinical User	<ul style="list-style-type: none">• Completes screens• Submits Level I screenings and tracking• Has access to individual records	<ul style="list-style-type: none">• Can submit Level I screenings• Can submit Level I screenings that non-clinical users start
Non-Clinical User	<ul style="list-style-type: none">• Can start Level I screenings• Has access to individual records• Can submit tracking	<ul style="list-style-type: none">• Role designed for record access, such as billing office or medical records• Will not have a submit button for Level I screening submission

Registration and Access

1. Determine who will be your Access Coordinators

- Can have as many as you need, no fewer than 2 per facility/agency
 - Recommend they are the people who will use AssessmentPro the most

2. EVERYONE must register for access

- No one will be automatically enrolled

3. Registration instructions available on our website

WHAT YOU CAN DO TO PREPARE

1

Make sure the staff in your organization who need to be trained are signed up for our *Newsletter and Updates*—watch for training registration announcements!

2

Forward our emails to co-workers to help them sign up

3

Review Level I screen items to determine how your facility can best collect this information

X AssessmentPro Registration Reminders

1. Your facility's staff access will be managed by *AssessmentPro Access Coordinators* (at least 2) at your facility
2. Your *AssessmentPro Access Coordinators* will apply for access through AssessmentPro by downloading a form to complete and upload
3. *AssessmentPro Access Coordinators* should be selected by facility management and be 1) tech savvy, 2) have ability to act as system resource for your facility, and 3) know the staff that should be authorized to use the system
4. Users will request access through AssessmentPro. *AssessmentPro Access Coordinators* will grant access and assign each user's role
